Vice President	Sergio Diaz-Briquets	Michael Devlin	Missy Salisbury
Secretary	Dick Kennedy	Lucia Ferguson	Bruce Scott

Vice President Sergio called the meeting to order at 7:35 and the following were discussed:

Minutes from February : Motion passed to approve (Bruce/Peter)

Eagle Festival: Dick & Sergio (Board members of the Friends of Mason Neck State Park) provided update on plans – will be very similar to last year, but will have competition from Fairfax County’s spring festival, which will also be in Lorton, at the Workhouse Arts Center. Adam asked if Cub or Boy Scouts could participate in some way – Dick will ask at the next festival planning meeting on March 6.

Pohick Creek Cleanup (part of Potomac Watershed cleanup) – Rick is coordinating for MNCA, will do it on Sunday, April 12, when more people likely will be available.

South County Chamber – Clock Tower: Peter said the deal was completed--\$30,000 received to assume ownership of and responsibility for the clock tower.

Next General Membership Meeting: Date will be May 12 or 19, depending on guest-of-honor Gerry Hyland’s schedule. Agreement to invite the candidates for his job to speak for five minutes each since the primary election will be June 9 (NB: four declared candidates so far). Noted that only 95 people voted in the Gunston precinct in the last Democratic primary.

Cub Scouts: Adam noted that the Mason Neck pack has been rechartered, with 16 scouts from 13 families, who are required to be MNCA members. Also mentioned that they have been given memorabilia from earlier Mason Neck Cub- and Boy-Scout troupes, some dating back to the 1950s – perhaps these could be included in the Mason Neck history section of the exhibits room at Mason Neck State Park, which is under construction.

USO-veterans-Mason Neck: Missy reported that discussions with USO on providing events on the Neck for vets (such as the Hike&Shoot event last summer) have been put off till spring, assuming that spring will actually arrive. Marvin noted that he has heard many compliments about Missy’s work on this issue.

Next Board Meeting: Wednesday, April 1, at 7:30 PM .

Meeting Adjourned: 8:08.
